Workday Concept: Academic Unit

- Academic Units (AU's) are used to manage Academic Appointments, allowing for a different structure from Supervisory Organization
- Academic Units reflect Yale's Academic Structure

How do Supervisory Organizations and AU's interact?

- Each Academic Unit must have at least one Supervisory Organization
- While an Academic Unit can be associated with multiple Supervisory Organizations, a Supervisory Organization can only be assigned to one Academic Unit
- The related Supervisory Organization controls the routing (workflow) of Academic Appointment actions during staffing processes

Workday Concept: Supervisory Organization vs. Academic Unit

- An academic employee is **hired** into a Supervisory Organization
- Academic Appointments are assigned / managed by Academic Unit
